

## **Resolution Receiving the Recommendations of the CUC**

Whereas the Commission on Undergraduate Curriculum (CUC) has completed its final recommendations,

Whereas Commission members spent countless hours serving as a task force studying undergraduate curricula,

Whereas Commission members sponsored numerous forums and made many presentations to engage members of the university community in curricular issues related to improving student learning,

Whereas the Commission has identified several proposals for the university community to consider,

Be it therefore resolved, that the Undergraduate Council thanks each member of the CUC for serving on this important task force, and

Be it further resolved that the Undergraduate Council receive CUC's reports and recommendations and create a process through which the Council will be able to move forward with campus-wide review in the Fall.
